I/we request that the student be considered for admission to the Lorenzo Walker Technical High School. I/we understand that the rigorous academic nature of the program requires all students who enroll to pursue a college-preparatory set of academic courses, combined with a career-preparatory program. I/we further understand that students whose academic records indicate areas of difficulty in reading or mathematics may need to attend summer preparatory sessions in order to be eligible to attend. We understand that notification of acceptance status will be provided by February 15, and is conditioned upon successful completion of the current school year.
